

CliftonStrengths® Assessment

Discover whats right with **YOU** and your people

The CliftonStrengths® assessment is a powerful 30-minute experience that reveals your natural talents — how you think, feel, and behave at your best. Through a series of paired statements, you'll uncover your unique strengths profile across 34 proven strength themes.

But the assessment is just the beginning.

◆ Turn Insight Into Impact

You'll receive personalized CliftonStrengths® reports and practical guides that help you:

- Maximize your strongest talents
- Understand your complete strengths profile
- Manage potential blind spots
- Work, lead, and collaborate more effectively

◆ For Individuals & Organizations

Whether you want to:

- Gain deeper self-awareness
- Develop high-performing, engaged teams
- Build a strengths-based culture across your organization

We can help you turn strengths into real-world results.

◆ A Strengths-Based Approach That Works

CliftonStrengths® focuses on a simple but transformative truth: People thrive when they build on what they naturally do best.

Each strength theme highlights what's right with you—and how partnering with others helps you go even further.
